

## Lesson Plans – Week of October 22, 2018

### Monday, October 22, 2018

Crucible Essays due before the end of the hour.

Upload to both Schoology and Blackboard

Schoology: From the WCS Home Page, Parents/Students, Click on Schoology. If you are logged into Office 365, it should take you directly to the Schoology home page. Click on English 11. Upload your saved paper. Refresh to see your plagiarism check.

Blackboard: From the Cousino home page, scroll down to “quick links”, scroll over to BB (Blackboard). Your login in is wcsxxxxx (x’s are your student number). Your password is the last four digits of your #1 emergency contact number on file with the school. I can’t look up your password, but I can change it. Let me know if you need it reset. I will reset it to 1234 and you will need to change it.

Organize your folder: printed final draft on one side and everything else on the other side (rubric, 2 rough drafts, handouts, quizzes).

Turn your folder directly in to the teacher.

**Tuesday, Wednesday, and Thursday** – The Crucible movie, work on extra credit (due Thursday), and finish Khan Academy (due Friday)
