Khan Academy SAT Test Prep Practice.

First, log in to Khan Academy. In the upper left click on “Courses” and then all the way to the right under “Test Prep” click on SAT. From that screen, click on “Link your College Board PSAT scores.” You will need to log in to College Board. If you can’t remember your login and password, click on “Forgot my Login” and they will send you an email. If college board doesn’t recognize your email, you may not have an account and will need to make one. Once you’ve linked college board and Khan Academy, go back to Khan Academy and it will customize practice based on your PSAT scores.

Second, scroll down through the Reading and Writing practice and find Reading – Literature and Reading – History. Do one practice test from each. Once you’re finished, show me your score.
